Nature: Normal.

Attachment : -.

Subject: Approval to Continue Preparing a Feasibility Study for the Development of Waste-to-Energy Power Plant (PLTSa) Infrastructure.

Dear CEO Harvest Waste

in-

Place

Following up on your Letter of Expression of Interest dated 6-24-2024, Regarding Request for *courtesy meeting* on July 5, 2024 for potential WtE KPBU project in Suwung, Bali, which is accompanied by supporting documents and the results of your initial study. we have evaluated it based on the provisions of Presidential Regulation Number 38 of 2015 on Government Cooperation with Business Entities in Provision of Infrastructure and the Regulation of the Minister of National Development Planning/Head of the Agency National Development Planning Number 7 of 2023 concerning Implementation of Work Government and Business Entities in Providing Infrastructure.

Based on this, we convey several things as follows:

- a. The initial study that you have prepared can be continued to the Preparation stage for preparation of Feasibility Study documents and other supporting documents with paying attention to, among other things: waste management needs at the Suwung TPA, *Environmental, Social, and Governance* (ESG) aspects , local wisdom/culture aspects, and the Government's fiscal capacity.
- b. Preparation of documents as mentioned in letter a must be done no later than 6 (six) months from the date this letter was signed.
- c. The Bali Provincial Government will monitor and facilitate the preparation of Feasibility Study documents and other supporting documents.
- d. After we receive the Feasibility Study documents and supporting documents, we will

carry out an evaluation of the document in accordance with statutory regulations applicable and can ask for opinions/assistance from stakeholders other interests.

- e. In preparing the Feasibility Study document and other supporting documents, Harvest Waste uses its own funds and there is no binding guarantee Bali Provincial Government.

Thus conveyed, we thank you for your attention and cooperation.

Thank You.
